Dear Keith:

I would like to thank you for making our annual Employee Appreciation Party a huge success. We have never tried a comedian before, but after your performance we will definitely do this again! Involving our audience in your show really made it personal and enjoyable. I have had an overwhelming response from our employees who attended the party. Many of them said it was the best party they had ever attended for our cooperative. That is exactly what we were aiming for.

It was a great pleasure working with you, and I am enclosing a letter of recommendation for you as well. I will definitely recommend you to anyone and everyone who is looking for a night of great entertainment! Thanks again for help in making our party an evening to remember!

Sincerely,

Angela Lyseng

RE: Keith Barany
Annual Employee Appreciation Party

To Whom It May Concern:

On behalf of Beltrami Electric Cooperative, I am proud to recommend Keith Barany, of Keith Barany Entertainment for any event you are planning. If you are looking for entertainment that will be enjoyed by all, Keith is definitely the way to go! He made our evening a huge success, and our employees agreed that it was the best party they had ever attended for our cooperative.

He provided a show that none of us had to worry about being inappropriate for our crowd. It made for an event that everyone from our Board of Directors to our employees enjoyed equally.

I am confident that if you book Keith for a party, you will not be disappointed.
